

Made with Music aims to create Safer Spaces

This means that **everyone** is welcome here. Not just welcome, but included, celebrated and encouraged to find their musical passion!

We are proud to welcome people of every:

Way of thinking, moving, seeing, hearing, or communicating

Family type

Culture and background

Gender and sexuality

Body shape and size

Religion or belief

Life experience

At Made with Music, we love all the **unique things** that make you *you*. Like musician Alicia Keys said: "The more voices, the more powerful the sound."

How we treat each other

We are always learning. We know we won't always get it right, but we want to do better **together**.

This means:

We listen to each other

We show kindness and respect

We care about everyone's safety

We speak up if something doesn't feel right

We change our behaviour if someone says we've upset them

We believe that people are **disabled by barriers** in the world around them - not by their bodies or minds. That's why we work hard to **remove those barriers** and make our spaces fair, welcoming, and accessible for everyone.

Let's work together

We don't allow:

Violence or threats

Bullying or intimidation

Racism, sexism, homophobia, transphobia, or any kind of hate
Jokes or language that hurt others
Disrespecting someone's identity, boundaries, or access needs

If you see or experience something that doesn't feel right, please tell a member of staff in a Made with Music t-shirt, email us on hello@madewithmusic.co.uk, message us on social media @mwmcharity or scan the QR code on this poster to contact us through our website.

Help us improve

We are always updating our policies and activities to be more inclusive. You can find them on our website.

Got ideas? Something to share?

We welcome your feedback and promise to act on it.
